Our offering of rooms

The training centre in Power Tower has a total of 10 classrooms spread over three floors. In addition to various small and medium-sized rooms for 8 - 24 people, the auditorium offers space for the most diverse applications. For example

- information events
- film shows
- seminars
- customer events
- etc.

Auditorium

At 126 square metres, the auditorium is the largest room we offer and is equipped with video projector, overhead projector, flipchart/whiteboard, SVHS video/DVD player, etc. When fitted with cinema seating, this room is particularly suitable for larger events with up to 120 participants.

Volta

In addition to the standard equipment, the room Volta also contains 7 networked PCs which can be used to access the Internet and the ABB domain.

Catering

Drinks and snacks are available for you at our employee and customer restaurant, Power Inn. On request the Power Inn will also provide the catering for your event, including evenings.
