

# 优 e 选使用手册

1. 通过访问 ABB 电气产品及系统官方网站 (<http://new.abb.com/low-voltage/zh>)，您可以快捷的使用优 e 选。
2. 优 e 选基于网页设计，您无需安装任何插件，首次访问时，页面读取时间可能会较长，请您耐心等待页面加载。
3. 通过点击页面中的产品大类，可以进一步选择具体产品线。下面，我们以 Emax 2 产品为例，为您演示如何进行产品速选。

The screenshot shows the ABB e-Select online catalog interface. At the top, there is a navigation bar with links for 'GLOBAL SITE' and the ABB logo. Below the navigation bar, the main title '电气产品在线选型工具 – 优e选' is displayed. On the left side, there are icons for a menu, search, and lock. The main content area features four product categories: 'Tmax XT Simply Xtraordinary', 'Tmax T A complete range of moulded case circuit-breakers up to 3200 A.', 'Emax 2 From circuit breaker to power manager' (this category is highlighted with a red border), and 'Emax'. Each category has an associated image of the respective circuit breakers.

4. 在优 e 选页面中，主要分为三个功能区：1. 主要分类；2. 产品参数选择器；3.查询结果。  
另外，在查询结果中，可以看到每条产品中都会有一个扳手的图标，这个图标就是用于附件的选择按钮。

The screenshot illustrates the ABB Electrical Product Selection Tool interface. It is divided into four main functional areas:

- 1. 主要分类**: Located at the top left, this area includes a navigation bar with 'Search' and 'GLOBAL SITE' options, and a breadcrumb path: 'You are here: All Offerings » Low Voltage Product Systems » Circuit Breakers » Emax 2'. Below this is a dropdown menu with 'Products' and 'Accessories' options, where 'Accessories' is selected.
- 2. 产品参数选择器**: This is the parameter selector panel on the left, enclosed in a red box. It contains a 'Selector' section with a 'Reset All' button and several dropdown menus for filtering products based on frame size, breaking capacity (IEC 415V), frame current, mounting method, pole number, protective trip unit, and rated current plug.
- 3. 查询结果**: This is the search results panel in the center, enclosed in a red box. It displays a list of products under the heading 'Products (500+)'. Each product entry includes a small image, the Product ID (e.g., 10148137, 10148138, etc.), the Type (e.g., E1B 630 D LI 3P F F), and a Description. The results are paginated with '1 of 1' visible.
- 4. 附件选择按钮**: This is the accessory selection panel on the right, enclosed in a red box. It shows a list of accessories with their names, list prices (\$18,870.09, \$20,411.97, etc.), order quantities (0), and plus/minus buttons for adjusting quantities. Each row also features a wrench icon, which is highlighted with a red arrow.

5. 在“主要分类”中，分为产品和 Accessories（产品附件）两大类，“主要分类”决定了“产品参数选择器”中的内容，如上图所示，“主要分类”中的“产品”被选中，“产品参数选择器”中则只会显示 Emax 2 断路器本体的相关参数选项，如框架尺寸、分断等级等。

6. 下面在“产品参数选择器”中选择一些参数作为示例，逐级选择 Emax 2 断路器的参数和规格，可以看到最终系统定位到一个单一物料号。如下图所示：

The screenshot shows the ABB Product Selector interface. At the top, there is a navigation bar with links to '首页' (Home), '产品指南' (Product Guide), and '电气产品及系统' (Electrical Products & Systems). On the right, there is a logo for 'GLOBAL SITE' and the ABB brand name with the tagline 'Power and productivity for a better world™'.

In the center, there is a search bar with the placeholder 'Search' and a magnifying glass icon. Below the search bar, the breadcrumb navigation shows: 'You are here: All Offerings » Low Voltage Product Systems » Circuit Breakers » Emax 2'.

Below the navigation, there are two tabs: 'Products' (selected) and 'Accessories'. To the right of these tabs are 'Export' and 'Send to basket' buttons.

A red box highlights the 'Selector' section, which contains the following parameter settings:

- 框架尺寸 (Frame Size): E2.2
- 分断等级 (IEC 415V): B - 42kA
- 框架电流 (Frame Current): 1600A
- 安装方式 (Mounting Type): IEC 固定式
- 极数 (Poles): 3极
- 保护脱扣器 (Protection Trip Unit): Ekip Dip...
- 额定电流插件 (Nominal Current Plug): R1600

Below the selector, a table titled 'Products (1)' lists the selected item:

Product ID	Type Description	Accessories	List Price	Order Qty
10148362	E2B 1600 D LSI 3P FHR		¥31,347.86	- 0 +

7. 在“查询结果”中还可以看到这个产品的列表价格。
8. 需要特别注意的是，此时看到的 Emax 2 断路器产品号码只是断路器本体，并不包含任何附件，这个产品无法正常订货，同时产品号码也无法加入到购物车中。还需要继续对断路器的附件进行选型。

9. 此时，只要点击小扳手图标的“配置按钮”，即可进行附件的配置。页面左侧的“产品参数选择器”会切换为附件产品的参数选项。这时您可以继续选择与断路器本体相关的附件产品，其中“分闸线圈”，“合闸线圈”以及“合闸弹簧用电动操作机构”为必选附件，在“参数选择器”中以红色字体体现。如图所示：

The screenshot shows the ABB Product Configuration interface. At the top, there is a navigation bar with links for '首页' (Home), '产品指南' (Product Guide), and '电气产品及系统' (Electrical Products & Systems). On the right, there is a logo for 'GLOBAL SITE' with the tagline 'Power and productivity for a better world™' and the ABB logo.

The main area is divided into two sections: 'Selector' on the left and 'Products (1)' on the right.

**Selector:** This section contains a 'Reset All' button and a list of accessories. The list includes:

- 可调额定电流插件
- 1/2 上接线端子
- 1/2 下接线端子
- RF 1/2 上接线端子
- RF 1/2 下接线端子
- 分闸线圈
- 合闸线圈
- 欠压脱扣器
- 合闸弹簧用电动操作机构
- 分/合闸辅助触头

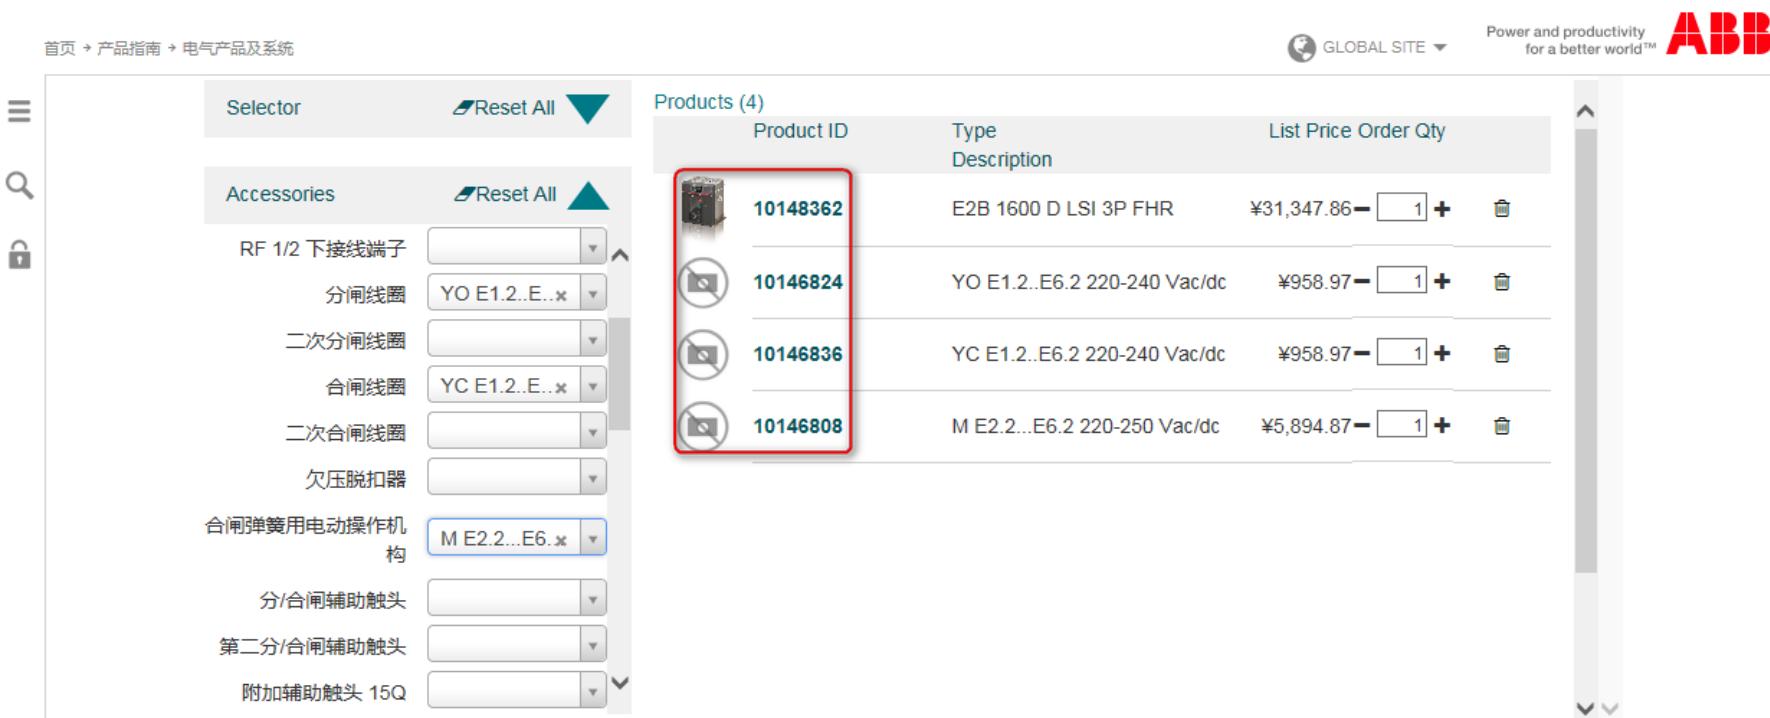

The items '分闸线圈', '合闸线圈', and '合闸弹簧用电动操作机构' are highlighted in red, indicating they are required attachments.

**Products (1):** This section displays a single product entry:

Product ID	Type Description	List Price	Order Qty
10148362	E2B 1600 D LSI 3P FHR	¥31,347.86	1

Below the table are buttons for increasing the quantity (+) and deleting the item (trash can icon).

10. 我们已经对常规附件配置的产品提前在系统中进行了扩展，以下图为例，当您选择 220V 的分闸线圈，合闸线圈以及电动操作机构后，会发现优 e 选已经为您匹配了正确的产品号码。

The screenshot shows the ABB product selection interface. On the left, there's a sidebar with icons for navigation. The main area has a 'Selector' section with a 'Reset All' button. Below it is a 'Accessories' section with dropdown menus for various components. To the right is a table titled 'Products (4)' showing four items:

Product ID	Type Description	List Price	Order Qty
10148362	E2B 1600 D LSI 3P FHR	¥31,347.86	1
10146824	YO E1.2..E6.2 220-240 Vac/dc	¥958.97	1
10146836	YC E1.2..E6.2 220-240 Vac/dc	¥958.97	1
10146808	M E2.2...E6.2 220-250 Vac/dc	¥5,894.87	1

The product IDs 10148362, 10146824, 10146836, and 10146808 are highlighted with a red box.

11. 至此，产品选型的工作就结束了。

12. 无论在选型或者产品配置过程中，如果您需要修改“产品参数选择器”中的参数或者不选择该参数，都可以直接重新选择新的参数或者点击参数中的小叉子来删除该参数。系统会根据您的操作实时更新右侧“搜索结果”中的内容。

The screenshot shows the ABB Product Selector interface. On the left, there is a sidebar with icons for navigation. The main area has two sections: 'Selector' and 'Products (4)'.  
**Selector:** This section is titled 'Accessories' and includes a 'Reset All' button. It lists several options with dropdown menus:

- 可调额定电流插件
- 1/2 上接线端子
- 1/2 下接线端子
- RF 1/2 上接线端子
- RF 1/2 下接线端子
- 分闸线圈 (YO E1.2..E. X)
- 二次分闸线圈
- 合闸线圈 (YC E1.2..E. X)
- 二次合闸线圈
- 欠压脱扣器

A red arrow points to the '分闸线圈' dropdown, and another red arrow points to the '合闸线圈' dropdown.  
**Products (4):** This section displays a table of four products:

Product ID	Type Description	List Price	Order Qty	
10148362	E2B 1600 D LSI 3P FHR	¥31,347.86	- <span style="border:1px solid black; padding:2px;">1</span> + <span style="color:red;">X</span>	<span style="color:red;">X</span>
10146824	YO E1.2..E6.2 220-240 Vac/dc	¥958.97	- <span style="border:1px solid black; padding:2px;">1</span> + <span style="color:red;">X</span>	<span style="color:red;">X</span>
10146836	YC E1.2..E6.2 220-240 Vac/dc	¥958.97	- <span style="border:1px solid black; padding:2px;">1</span> + <span style="color:red;">X</span>	<span style="color:red;">X</span>
10146808	M E2.2...E6.2 220-250 Vac/dc	¥5,894.87	- <span style="border:1px solid black; padding:2px;">1</span> + <span style="color:red;">X</span>	<span style="color:red;">X</span>

13. 或者，您也可以点击”产品参数选择器”中的重置按钮将您所选的参数全部清零。

The screenshot shows the ABB Product Selector interface. On the left, there's a sidebar with icons for navigation. The main area has a header "Selector" with a "Reset All" button. Below this, there's a section titled "Accessories" containing several dropdown menus. One of these dropdowns has a red box drawn around its "Reset All" button. To the right, there's a table titled "Products (4)" with columns for "Product ID", "Type Description", and "List Price Order Qty". Each row contains a small image of a product, a product ID, a description, a price, a quantity input field set to "1", a plus sign to increase quantity, and a trash can icon to remove the item.

Products (4)			
	Product ID	Type Description	List Price Order Qty
	10148362	E2B 1600 D LSI 3P FHR	¥31,347.86 - <input type="text" value="1"/> + ⚡
	10146824	YO E1.2..E6.2 220-240 Vac/dc	¥958.97 - <input type="text" value="1"/> + ⚡
	10146836	YC E1.2..E6.2 220-240 Vac/dc	¥958.97 - <input type="text" value="1"/> + ⚡
	10146808	M E2.2...E6.2 220-250 Vac/dc	¥5,894.87 - <input type="text" value="1"/> + ⚡

14. 另外，您可以直接点”搜索结果”中的小垃圾桶图标来移除您不需要的产品。

The screenshot shows the ABB eSelect software interface. On the left, there is a sidebar with icons for navigation, search, and lock. Below the sidebar, there is a selector section with a 'Reset All' button and a dropdown menu for 'Accessories'. The dropdown menu contains several items, each with a dropdown arrow: '分/合闸按钮保护', '辅助电源套件', '电源模块', 'Ekip Com/Sin/Link模块, 适用于E1/6.2', '蓝牙通讯模块', '分闸线圈测试单元', '特殊型号用标签', 'INST INSTR', '测试认证', and '延长质保期'. On the right, there is a table titled 'Products (4)' with columns for 'Product ID', 'Type Description', 'List Price', 'Order Qty', and a trash can icon. The table contains the following data:

	Product ID	Type Description	List Price	Order Qty	Action
	10148362	E2B 1600 D LSI 3P FHR	¥31,347.86	1	
	10146824	YO E1.2..E6.2 220-240 Vac/dc	¥958.97	1	
	10146836	YC E1.2..E6.2 220-240 Vac/dc	¥958.97	1	
	10146808	M E2.2...E6.2 220-250 Vac/dc	¥5,894.87	1	

15. 上面就是优 e 选的基本使用方法，我们将在未来不断的更新使用手册或者增加其他方式的培训文档，感谢您的关注。
