

Invitation

ABB Robotics & Discrete Automation Investor Day February 26-27, 2020, Friedberg-Frankfurt, Germany

ABB invites you to register for its Robotics and Discrete Automation (RA) Investor Day and Global Solutions Center Tour on February 26-27, 2020.

The event will be hosted by Sami Atiya, President, Robotics and Discrete Automation and the RA team. The aim of the event is to update you on progress in our RA business while demonstrating the potential of its unique portfolio, combining robotics and machine automation.

Preliminary agenda (CET)

Wednesday, February 26

Afternoon	Arrival and transfer to Hotel Dolce, Bad Nauheim
6:30pm onwards	Cocktails
7:30pm	Dinner

Thursday, February 27

08:00am	Transfer to ABB's Friedberg site from hotel
08:15am	Registration & refreshments
08:30am	Business overview - Sami Atiya, President of Robotics & Discrete Automation and Jaana Suvanto, RA Chief Financial Officer
10:30am	Break-out sessions – the future of robotics and machine automation and the opportunity for ABB to drive growth in key market segments
12:00pm	Lunch
01:00pm	Break-out sessions continued
02:00pm	Global Solutions Center Tour
03:30pm	Summary remarks and Q&A
04:30pm – 6:00pm	Event ends and transfer to airport

Please [register by clicking here](#) or [click here to decline](#).

More details about hotels and recommended flight options are provided here: [RA Day registration](#). For those flying back immediately after the event please note we are recommending the later flight options available on the day due to the possibility of heavy traffic en-route to the airport.

We look forward to seeing you in Friedberg,

ABB Investor Relations
