

PLEASE SAVE THE DATE FOR ABB'S

Innovation and Technology Day

September 6th 2017, at the heart of our North American robotics operations

This event will showcase ABB's leading capabilities in industrial automation for process and discrete industries - ranging from robotics and the recent B&R acquisition to our leading position in Control software and systems. We will also share the latest developments in ABB Ability, our digital offering.

Date:

Tuesday September 5th, 2017 – Dinner
Wednesday September 6th, 2017 – Event

Location:

ABB Robotics, 1250 Brown Road, Auburn Hills, MI
(approx. 50 minutes north of Detroit)

More details will follow shortly.

Please let us know if you are planning to attend the event. You will receive further information and a more detailed agenda soon.

Look forward to seeing you.
