

Technical training sessions at EWEA, 2015 November 17-20, Paris ABB booth #H11

Topic	Speaker	17 Nov	18 Nov	19 Nov	20 Nov
10 years experience of MV wind turbine converters	Daniel Lazic	15.45 - 16.15		10.15 - 10.45	
ABB Compact Secondary Substation solutions for Wind turbine electrification	Andrei Miklin	12.45 - 13.15	12.45 - 13.15	16.15 - 16.45	10.45 - 11.15
ABB NALWind switch-fuse combination for windfarm application	Tomasz Komalski	13.15 - 13.45			
ABB Power Consulting for the wind industry	Ines Romero	09.15 - 09.45	09.15 - 09.45		
ABB Relion IEDs for wind farm interconnection protection	Erkki Lehtonen	11.45 - 12.15	13.15 - 13.45		
ABB's PowerCare and RemoteCare service concepts	Miguel Clairgeau / Eyup Akman			13.45 - 14.15	
ABB's SafeWind for safe wind turbine electrification	Stig Oprann		11.45 - 12.15	09.15 - 09.45	
Advanced design and control solutions for grid integration	Adrian Timbus	09.45 - 10.15	09.45 - 10.15	09.45 - 10.15	09.45 - 10.15
Alternative generator voltages for wind turbines	Raimo Sakki	15.15 - 15.45	15.15 - 15.45	14.15 - 14.45	
Boosting reliability and availability with commissioning and remote service	Daniel Lazic		10.15 - 10.45	14.45 - 15.15	
CoreTec™ and CoreSense™ monitoring solutions for transformers	Mathieu Bachelard	16.15 - 16.45		11.45 - 12.15	
Energy efficiency in transformers - ABB helps you achieve energy efficiency goals	Pawel Prylinski	16.45 - 17.15	13.45 - 14.15	11.15 - 11.45	
Grid codes and simulations – latest developments	Erkki Niemi		12.15 - 12.45	12.15 - 12.45	
Line Voltage Regulator increases grid capacity for wind power	Frank Cornelius / Juan Pedro Gracia	10.45 - 11.15	16.45 - 17.15	10.45 - 11.15	
MV wind turbine converters - optimized for lowest LCoE	Daniel Lazic	10.15 - 10.45	15.45 - 16.15		
New E3 certification for dry type transformers up to 36 kV	Juan Pedro Gracia		10.45 - 11.15	15.45 - 16.15	
SPT and DRY transformers for large turbines and 66 kV collector array	Pawel Prylinski	13.45 - 14.15	14.45 - 15.15	15.15 - 15.45	10.15 - 10.45
Testing and certifying turbines with ABB Medium Voltage Drives	Ester Guidi	14.15 - 14.45	14.15 - 14.45	13.15 - 13.45	
Transformers with environmentally friendly, bio-degradable fluids	Pawel Prylinski	14.45 - 15.15	16.15 - 16.45	12.45 - 13.15	
Wind Retrofit services for a new lease of life of aging wind turbines	Mohamad Murywed / Xavier Llado	11.15 - 11.45	11.15 - 11.45
