Bharti Telecom raises ₹11,150 crore via bonds

Company to use the proceeds for investing

SUBRATA PANDA
Mumbai, 4 November

Bharti Telecom, the holding company of Bharti Airtel, on Monday raised ₹11,150 crore in six tranches, with coupon rates ranging from 8.25-8.90 per cent and tenors from 3-10 years.

According to the term sheet, the company secured ₹2,000 crore at 8.65 per cent, with a tenor of three years; ₹1,650 crore at 8.75 per cent, with a tenor of four years; ₹2,500 crore at 8.75 per cent, with a tenor of five years; ₹1,500 crore at 8.90 per cent, with a tenor of seven years; ₹1,500 crore at 8.90 per cent, with a tenor of 10 years; and ₹2,000 crore at 8.25 per cent, with a tenor of three years and 10 days.

THE SUNIL BHARTI MITTAL-OWNED TELECOM FUND RAISED FUNDS IN SIX TRANCHES, WITH TENORS RANGING FROM 3 TO 10 YEARS

Of the ₹11,150 crore issuance, ₹3,345 crore was subscribed by anchor investors, and ₹7,805 crore was the non-anchor portion.

Barclays and Standard Chartered Bank were the arrangers for the bond issue. Bharti Telecom will use the proceeds for investing and paying transaction-related costs in connection with such investments.

"Bharti Telecom issuance across multiple tranches has demonstrated strong investor demand, particularly from mutual funds. This solid interest, spanning across tenors, highlights the confidence of domestic investors in India's growth story, as they remain resilient and focused on long-term prospects despite global yield fluctuations," said Venkatakrishnan Srinivasan,

founder & managing partner, Rockfort Fincap LLP.

REC looking to raise ₹5,500 crore this week

State-owned REC Ltd. is looking to raise ₹5,500 crore in two tranches, with varying tenors, this week from the domestic debt capital market, sources said. REC is inviting bids for the bond issuance on November 6 and the allotment will be made on November 8.

The first tranche of REC is of ₹3,000 crore, with ₹500 crore as the base issue and ₹2,500 crore as the green shoe option.

The bonds will have a tenor of 15 years and 22 days, and are expected to mature in November 2039. The bonds are rated "AAA" by domestic rating agency CRISIL, Ica, and CARE Ratings.

Additionally, the state-owned lender will raise ₹3,500 crore, comprising a base issue of ₹600 crore and a green shoe option of ₹2,900 crore. The bonds will have a tenor of five years, five months and 22 days, maturing on April 30, 2030.

Market participants expect the coupon rate to be anywhere between 7.15 per cent and 7.35 per cent, given REC is a rare issuer and is a state-owned entity.

The demand for 15-year paper is expected to be significant, said a dealer at a state-owned bank.

"REC has been actively raising funds through the domestic bond market to support its large borrowing programme for FY25. Ahead of their upcoming issuance on November 6, the bond market expects the cut-off pricing to be between 7.20 per cent and 7.35 per cent, contingent on the tenor, secondary market levels during the time of the issuance, and size of the issue," Srinivasan said.

"However, upward pressure on Indian bond yields has been evident due to continuous FPI outflows since October, driven by uncertainties around the US elections and rising US Treasury yields. This external environment poses potential indirect impacts on domestic corporate bond yields," he added.

On a high: John Distilleries mulls ₹600 crore plant in Karnataka

ANEKA CHATTERJEE
Bengaluru, 4 November

Bengaluru-based John Distilleries Limited (JDL) is considering a 30-acre plant in Karnataka with an investment of about ₹600 crore, following the expansion of its Goa facility.

The company also targets nearly 150 cases of single malt and about 2.3 crore cases of all other brands put together by the end of the financial year 2025 (FY25).

"The Karnataka plant is planned as a greenfield project with an investment of about ₹500-600 crore. However, we are open to discussions with other states and may consider relocating if they offer more favourable incentives. Within the next 3-4 years, we need to put up another plant serving at least a capacity of 12,000 litres per day," Paul P John, Chairman, John Distilleries Limited told Business Standard.

JDL is set to launch the highly sought-after Well Bourbon Whiskey variants — Special Reserve and 12 Year — in November, priced at approximately ₹4,500 and ₹8,500, respectively. It will be in partnership with Sazerac. The domestic market already features Fireball, Buffalo Trace Bourbon, Benchmark Bourbon, and Sazerac Rye.

John also outlined the company's plans to launch two new vodka variants. One in the lower price category similar to the Original Choice portfolio expected within the next six months, and another targeting the high-end segment, anticipated by next year. JDL will soon be adding another gin to its Rouleau portfolio.

Given the alcohol major's extensive domestic and international presence, JDL anticipates growth in the domestic liquor market.

"Over the past 7-8 years, the Indian market has evolved from 30 per cent domestic sales and 70 per cent international to 50 per cent domestic. Currently, international sales comprise 30-35 per cent, with the remainder from domestic sources. The domestic market is steadily inching up," John said.

Given our liquid (liquor) constraints, we are prioritising supply management over entering new markets.

kets. However, we cannot meet targets for some of our cheaper brands. We anticipate that these challenges will persist for 2-3 years. Our focus is on optimising our supply and solidifying our presence in the markets where we are already established," said John. JDL is set to roll out its Christmas edition, continuing a six-year tradition. The edition has already been introduced in international markets, while Goa is the exclusive recipient of the release in India. Other Indian markets can expect it in the coming weeks. A total of 8,000 bottles will be available globally, priced ₹8,000-10,000 (approximately \$100-135) including taxation.

"We are looking forward to a 20 per cent overall growth in sales. Last year, we achieved 5 crore cases with all our brands put together," said John.

“WITHIN THE NEXT 3-4 YEARS, WE NEED TO PUT UP ANOTHER PLANT SERVING AT LEAST A CAPACITY OF 12,000 LITRES PER DAY.”

B'desh fast-tracks payment to Adani

REUTERS & BLOOMBERG
4 November

Bangladesh is accelerating payment of more than \$800 million it owes Adani Power ahead of a November 7 deadline set by the firm, which has cut electricity exports to Bangladesh by more than half, two senior government officials said.

Adani Power, which exports power to Dhaka from its 1,600 megawatt (Mw) Godda plant in Jharkhand state, set the deadline for receipt of dues as it faces challenges in

importing coal necessary for power generation, three sources familiar with the matter said.

Adani Power reduced its supply to Bangladesh by half last week and may cut the nation off entirely after the deadline, said the sources. Adani Power is asking the neighbouring nation's power agency to arrange a letter of credit or repay the money, one person said.

A representative for Adani Group did not offer any immediate comment on the deadline for cutting power supplies.

JC Flowers ARC seeks bids to sell ₹2,613 cr of loans

JC Flowers Asset Reconstruction Company, acting as a trustee of JCF YES Trust, is seeking bids to sell ₹2,613 crore of outstanding retail and SME loans through a Swiss auction, which has been prompted by an anchor bid of ₹237.5 crore.

The anchor bid for the loan portfolio, which comprises 15,096 accounts, translates into a recovery of 9.08 per cent on the outstanding portfolio. Entities interested in acquiring the loans have to submit an expression of interest (Eoi) by November 6.
