

PROFILE

Sanjeev Sharma

CEO & Managing Director, ABB India Ltd.

Sanjeev Sharma is the Country Managing Director of ABB India Ltd., a part of ABB Group - one of the world's leading engineering companies that helps its customers produce and use electrical power efficiently, to increase industrial productivity and to lower environmental impact in a sustainable way.

ABB Group recorded revenue of US\$ 33.8 billion in 2015 and has 1,32,000 employees. India is one of the key contributors to ABB group revenue and has around 10,000 employees.

Sanjeev has spent close to 30 years at ABB, having worked in different roles including business operations, sales and marketing, strategy and product management across Europe, South East Asia and India.

Prior to this appointment, Sanjeev was the global Managing Director for ABB's Low Voltage Systems business unit, where he was based in Malaysia. He brings extensive experience in industrial automation and electrification across market segments and geographies and has led several successful change management initiatives across global operations.

Sanjeev is an electrical and telecommunications engineer and with various management degrees. His personal interests range from shaping young minds through mentoring to mountain climbing.
