  - 3.2. The Product is not warranted to be fit for any particular purpose, unless specified and warranted by ABB in writing.
4. DRAWINGS AND DESCRIPTIONS
  - 4.1. Where ABB is to submit drawings for approval, the Purchaser approves or otherwise within the time given in the contract, or, if no time limit is specified, within fourteen (14) days of receipt, failing which they shall be deemed to have been approved.
  - 4.2. The contract language shall be in English. All contract communications and documentation shall be in English.
5. VARIATIONS
  - 5.1. Either party may request variations to the contract in writing. Where the parties agree to vary the contract, the parties shall also agree any revised scope, purchase price and/or delivery date prior to ABB undertaking the variation work.
  - 5.2. No such variations shall be effective unless agreed in writing and signed by both parties.
  - 5.2. If during the contract there are changes in laws, orders, regulations, standards or by-laws, which affect the cost or time of performance of this contract, then an equitable adjustment shall be made to the date(s) and price(s) resulting therefrom.
6. DELIVERY, PASSING OF RISK
  - 6.1. The Purchaser shall inspect the Products and notify ABB in writing of any loss, shortage, excess, or transit damage within forty-eight (48) hours of delivery and permit ABB immediate rights of inspection and investigation. Failing which, any remedial costs shall be the responsibility of the Purchaser.
  - 6.2. The Purchaser shall only be entitled to request proof of delivery within five (5) days of receipt of ABB's invoice, failing which, delivery is deemed to have taken place. ABB shall provide such proof within five (5) days of receipt.
  - 6.3. For the avoidance of doubt, risk in the Product shall pass to the Purchaser at the time specified in the applicable INCOTERMS. 7. PAYMENT & VAT
  - 7.1. Payment shall be made by the Purchaser no later than thirty (30) days from the date of the invoice. Time of payment is of the essence of the contract and ABB reserves the right to suspend the provision of Products to the Purchaser where any amounts are overdue under the contract or under any other contract until all such amounts have been paid. No queries concerning an invoice will be considered later than fourteen (14) days from the date of its issue. Payment may be made via BACS.
  - 7.2. Payment shall be made in the currency quoted by ABB.
  - 7.3. Without prejudice to any other right or remedy, ABB will be entitled to set-off any amount otherwise due to the Purchaser under this contract or any other contract against any sum or sums which the Purchaser is or may be liable to pay ABB or recover any such amount as a debt.
  - 7.4. Where ABB has entered into a "Credit Agreement" with the Purchaser, the Credit Agreement with its credit limit shall form part of the contract.   - 8.1. Until title in the Product has passed to the Purchaser, the Purchaser shall keep the Product clearly marked as being ABB's and store it separately from the Purchaser's own equipment. ABB shall be entitled during normal business hours to enter the Purchaser's premises in order to inspect the Product.
  - 8.2. Should the contract be terminated by ABB for any reason before title in the Product has passed to the Purchaser, or ABB has grounds for doubting the creditworthiness of the Purchaser (cf. Article 7.4), ABB shall be entitled during normal business hours to enter the Purchaser's premises and recover the Product. ABB reserves the right to dispose of any Product so recovered.
  - 8.3. To the extent permitted by law, title to the Product shall remain with ABB until it has received payment in full due under the contract and any other sums due (together with any interest which may have accrued) in respect of any other goods or services previously or subsequently supplied by ABB to the Purchaser under any other agreement. When such payments have been received by ABB title shall pass to the Purchaser.
  - 8.4. Notwithstanding any appropriation by the Purchaser to the contrary, all payments made by the Purchaser to ABB shall be appropriated first to the Products which have been resold by the Purchaser and then to the Products which remain in the Purchaser's possession or control.
  - 8.5. If the Purchaser resells any Products in which title has not passed to the Purchaser, the proceeds of such resale shall (as between ABB and the Purchaser only) be made by the Purchaser as agent for ABB.
