

Learning area – Presentation schedule

	Monday 16 June	Tuesday 17 June	Wednesday 18 June	Thursday 19 June
10:30 - 11:00		UniGear Digital - Innovative concept for MV switchgear EN		Ensuring safe and reliable production EN
11:00 - 11:30		Control room, the extended operator workplace RU	The digital oil field - Remote measurement RU	Electrification and power from shore EN
11:30 - 12:00		Chemical enhanced oil recovery EN	Subsea power and arctic grid EN	Complex automation solutions for power facilities RU
12:30 - 13:00		The digital oil field Remote measurement RU	The digital oil field integrated operations EN	Oil, gas and marine expertise for floating production EN
13:00 - 13:30	Electrification and power from shore EN	Ensuring safe and reliable production RU	Ensuring safe and reliable production EN	UniGear Digital - Innovative concept for MV switchgear EN
13:30 - 14:00	Chemical enhanced oil recovery EN	New technologies for highly efficient pipelines EN	UniGear Digital - Innovative concept for MV switchgear EN	Modular and standard power plant for harsh conditions RU
14:00 - 14:30	Ensuring safe and reliable production EN	Lifecycle partner EN	Lifecycle partner EN	
14:30 - 15:00	Innovative marine solutions for offshore oil and gas RU	Modular and standard power plant for harsh conditions RU	Modular and standard power plant for harsh conditions RU	
15:00 - 15:30	The digital oil field - Integrated operations EN	Subsea power and arctic grid EN	Oil, gas and marine expertise for floating production EN	
15:30 - 16:00	Modular and standard power plant for harsh conditions RU			
16:00 - 16:30	Complex automation solutions for power facilities RU		New technologies for highly efficient pipelines EN	
16:30 - 17:00				
17:00 - 17:30	Lifecycle partner EN		Complex automation solutions for power facilities RU	

EN – Presentation in English

RU – Presentation in Russian
