

## PRODUCT-DETAILS

# 3BSM005423-A

## Control pulse unit replacement set

### General Information

Product ID	3BSM005423-A
ABB Type Designation	Control pulse unit replacement set
Catalog Description	Control pulse unit replacement set

### Ordering

Country of Origin	Sweden (SE)
Customs Tariff Number	85389091
Selling Unit of Measure	piece
Minimum Order Quantity	1 piece
Stocked At (Warehouses)	Västerås, Sweden

### Dimensions

Product Net Weight	2.6 kg
--------------------	--------

### Technical

Technical Information

Replaces the old type of control pulse unit. RC-circuit is included in the new type of Control pulse unit. Control pulse unit 3BSM000313-A, new bracket, balancing weights & instruction are included. This is the new standard and placed on stock today. Therefore a exchange is recommended at the inspection. If a faulty diode, thyristor or control pulse unit the recommendation is to replace all diodes, thyristors and control pulse unit due to electrical stress. Trigger pulse level needs to be set according to the replaced control pulse unit before installation.
